WHO CAN SPEAK ON

www.businessgateways.com

THE STAGE is

- A simple and effective solution to **present your business** to the JSRS Community.
- Managed by a professional team, which ensures your **business is heard** by the right community.
- Totally online, which does away with conventional spend in logistics.
- Proven track record of having helped numerous business houses **identify their next business opportunity sources**.

PRESENTATION STREAMS.

On The Stage, there is no selling. Just pure business talk, projecting your technology, values, expertise, contribution to the industry etc., leading to imprinting your brand in the minds of your 'interest matched' audience. With this in mind, The Stage Presentations are categorised into **Three major Streams.**

- 1 Business Opportunities Stream** - Opportunities that you bring to the market.
Present your organization's current and planned projects, highlighting your Procurement, Investment & Business Expansion Opportunities, fostering B2B Partnerships.
- 2 Trending Technologies Stream** - Cutting edge technologies & trends that the market can learn from you.
Present your organization's expertise / knowledge which you wish people to know, use and benefit. Talk about the problem your company is helping solve, highlighting its industry level importance, trends, impact in future etc.,
- 3 Trade Governance Stream** - Highlighting trade relations & regulations pertaining to Procurement / Investments.
Present your country's business potential, investment opportunities, recent laws and regulations that would impact the JSRS Community.
